

Basic Rental Rates

Effective September 1, 2018

Basic Rental Rates include space access and usage during normal hours of operation (9:00 a.m. to 10:00 p.m.); general room and stage illumination; basic audio amplification; electricity and HVAC.

Staffing fees and equipment rental costs will be additional for your event. These production costs will vary depending on the specific technical (lights, sound, etc.) requirements for each event. Please review the information about our performance spaces and daily rental rates below **to determine the venue that most matches your needs.**

After you have confirmed an available date and submitted a **Rental Request Form**, you may request an on-site visit with the PAC Facilities and Production Manager. This will help to determine the actual scope of all technical, front of house, box office and any other needs. From this a **Cost Estimate** will be determined, and a formal agreement will be written by Adelphi's Auxiliary Services Department.

CONCERT HALL

The intimate **Concert Hall** is specifically designed for chamber ensemble, orchestral, and vocal performances, but also has the flexibility to fully support lectures, general sessions and other public events requiring a premiere level of support. Equipped with a full complement of theatrical lighting, audio and video technology the Concert Hall is designed to be one of Long Island's highest quality venues for the performance of classical music.
